FOOD VOUCHER PROGRAM FOR VOLUNTEERS

The festival relies on many volunteers who work long and hard to ensure its success. The festival offers a food voucher program to volunteers whereby they are issued \$5.00 vouchers that they can use when purchasing from food vendors who participate in the program. Only one voucher may be used per food transaction.

Participating vendors will be listed in the volunteer handbook.

Food vouchers will be collected from vendors throughout the festival event. At the end of the festival, vouchers are collected and vendors are paid \$3.00 for each voucher used by a volunteer to purchase food at their location.

Payment to the vendor is by mailed cheque after the festival.

We hope that festival food vendors will participate in this program to show appreciation to the hard working volunteers.
